

## Safety Allies – Las Vegas Advisory Board

The founders of the inaugural chapter of Safety Allies seek six volunteers from within the Las Vegas environmental health and safety (EH&S) professional community to join their Advisory Board. Members of the Board will meet every other month to support the Safety Allies mission.

### General Requirements:

Members of the Advisory Board must meet the following requirements:

- 10 or more years' experience in an EH&S management role (or other direct relevant role), within a company (or companies) of no fewer than 1,000 employees
- One or more years of experience working in Las Vegas or the surrounding area (Southern Nevada)
- Be in good standing and merit within the Las Vegas health and safety community
- Possess willingness to uphold the standards and goals of Safety Allies by being a leader and role model within the EH&S industry

### Job Description:

- Attend six Safety Allies meetings per year, along with ad hoc planning meetings when necessary
- Participate in hosting and planning one meeting per year
- Contribute a minimum of three hours per month to supporting the Safety Allies mission
- Assist in mediating and supporting fruitful discussion during bi-monthly meetings
- Advocate for Safety Allies within the community
- Contribute a minimum of one blog post on [safetyallies.com](http://safetyallies.com) annually
